Attention: D. T. Dull

Dear Sir:

Gerald Thomas Armstrong was charged in this city of the crimes, Attempted Sodomy and Contributing to the Delinquency of a Minor, 5-12-60.

Prior to subject's arrest, we had received rumors and mild complaints from parents and other parties, of his keen interest in very young boys. Armstrong had started several types of activities and clubs and the members were generally in the 11 to 15 years group.

At date of trial, the District Attorney informed us that two of the witnesses had moved to the states and it would prove too costly to return them to Ketchikan. The District Attorney asked for dismissal on both charges, due to lack of evidence.

After Armstrong's release from jail here, he immediately married a local girl and tried to resume his youth activities, but indignant parents prevented their children from associating with him.

We have been unable to locate past criminal history on this subject.

Very truly yours,

T. H. Miller, Chief

(ADDITIONAL DETAILS OF OFFENSE, PLAINIFF'S P. INCL. FILED)

JANUARY 24, 1961:

MRS. [REDACTED], WFA, reported to OFFICER DON MULKEY that she wanted to talk to the Investigation Division concerning GERALD THOMAS ARMSTRONG. She told MULKEY that ARMSTRONG was picking-up her 15 year old boy [REDACTED] and taking him to school. She wanted to check the man for character. MRS. [REDACTED] made her inquiry at 1630 hours. I tried to contact her in the evening, but she had left her residence at [REDACTED].

JANUARY 25, 1961:

I arranged with the CAPITOL SCHOOL (Eighth Grade) to have [REDACTED] come to the Station after school to talk to SGT. CECIL RASLER and me. We questioned [REDACTED] about the actions of ARMSTRONG with negative results. [REDACTED]'s comments about ARMSTRONG indicated that his behavior toward him ([REDACTED]) has not been radically different from that to other boys. ARMSTRONG works on a construction crew which is building houses somewhere, according to [REDACTED]. ARMSTRONG gives [REDACTED] rides when he should happen to see him walking to school. It is not a pre-arranged thing.

JANUARY 26, 1961:

[REDACTED] called me at the station to inquire about GERALD T. ARMSTRONG. She had heard about him in Ketchikan. I told her I had heard similar rumors but that there is not any record of conviction or proof of substantiation existent for reference. She said that [REDACTED] had offers from ARMSTRONG to stay the night with him on at least one occasion, and has had offers to come over to ARMSTRONG'S for dinner. I requested that if she learns of any definite violation of law by the subject, that she contact this Department immediately. She was most willing to cooperate to this end. *A.T. 1-26-61*

JANUARY 30, 1961: A letter to the Ketchikan Police Department was drafted concerning a possible connection between GERALD T. ARMSTRONG and the sex-associated burglaries in the FOSBEE APARTMENTS. (See correspondence.) *Negative - not burglars*

NOTE: On December 2, 1960 CHIEF P. L. SEVERSON took up the findings of this investigation then existent with FATHER MELBOURNE at the Catholic School where GERALD ARMSTRONG had spearheaded a youth activity program. Since that program's inception, ARMSTRONG has been under observation. [REDACTED] street foreman for LORD BROS. CONSTRUCTION COMPANY, gave me the initial tip that ARMSTRONG had been "kicked out of Ketchikan" for deviant sexual behavior. [REDACTED] lived in Ketchikan prior to moving to Juneau last year.

FEBRUARY 28, 1961: To date I have observed ARMSTRONG in the company of several small boys during the early evening hours. ARMSTRONG incessantly drives around the Channel Area in a pick-up truck of his own or a firm vehicle, also a pick-up truck. Sometimes he has his wife with him and a few small boys. More often, however, I have observed ARMSTRONG alone with a small boy or a couple of them. These boys are known to me by sight as members of the Youth Program under ARMSTRONG'S supervision.

Re: Gerald T. Armstrong

Dear Mr. Ewan:

We have just received additional information from the Scout Executive of Southeast Alaska Area Council concerning Gerald T. Armstrong about whom you and I had correspondence in May of this year. This last information is, "Now I understand that he is working with scouting in Malpitas, Calif. The police there have written the police in Ketchikan about this matter". We have no record of there being such a community as Malpitas, Calif. in our index, but based on the assumption, because of our previous correspondence, that Malpitas might be in your council, I am writing you this additional information. If there is anything to this, we would appreciate a response from you.

Sincerely yours,

Delmer Wilson
Personnel Division

Dear Mr. Wilson:

This matter was given to me by our District Ex. in Ketchikan.

Prior to my coming to this Council this man "Gerald Thomas Armstrong" tried to organize a ~~club~~ catholic there in Ketchikan. About That time he was arrested on a sodomy charge. The case was dropped because the witness would not testify. Shortly after that he married a young teenage girl and moved to here, Juneau. Here also he tried to work with the Catholic troop but some one put a stop to that. About the time I got here he had moved out of town.

Now I understand that he is working with scouting in Malpitas, Calif. The police there have written the police in Ketchikan about this matter. X I would write to the S.E. but I don't know which Council .

Gerald Thomas Armstrong

Born June 12, 1937

As I get more information on this man I'll write further.

Re: Gerald T. Armstrong

Dear Mr. Egan:

Together with your Transmittal #12, there was included an application for registration of Gerald T. Armstrong, Box 472, Cupertino, California, as Scoutmaster in Troop 405, San Jose. A note was attached from Sylvia Franco indicating that Mr. Pursell of District #1 had requested that this man's name be checked against our files, and that you would hold the original application until you heard from us.

This man indicates that he was registered as Scoutmaster in the South Eastern Alaska Council in 1961, for one year. This is substantially correct. He was registered as Scoutmaster in Troop 23, Juneau, Alaska in November, 1960.

Information in our files indicates that this man may not be registered under any circumstances, at any time, with the Boy Scouts of America. It is my recommendation that you return to Mr. Armstrong his Scouter application and any fees he may have paid and indicate to him that we will not accept his registration.

I commend you on the manner in which you have handled this situation.

Sincerely yours,

Re: William H. Mitchell, and
Gerald T. Armstrong

Dear Sir:

Thank you for the information concerning William Mitchell and Gerald Armstrong. I am enclosing two confidential record sheets which we have filled out as much as possible with the information you have provided. Will you complete them if you can and return them to us? You have given us enough information on Mr. Mitchell and in fact we appreciate your complete statement concerning Mr. Armstrong. It is enough for our file and the police conviction is not necessary.

You mentioned statements from boys and we do like to have these statements in our file so we can be backed up with facts when we refuse registration. Would it be possible for you to send us these statements. Many times local police departments do cooperate by providing us with photostatic copies for our files. You can assure anyone who makes any statement or releases one to you, that it will be kept under lock and key and will be shared with no one. Be sure you enclose them in a confidential envelope when you send them.

On the second man, Gerald T. Armstrong: homosexual suspect

Age: 23
Height: 5' 9" (Approximately)
Weight: 135 "
Color of Hair: Light brown
Color of Eyes: Blue

In Ketchikan, Alaska, during the summer months of 1960, this suspect was involved in alleged homosexual activities with several young boys ages 8 - 14. One of these boys was residing with Armstrong.

This suspect was arrested in Ketchikan, Alaska by the city police and was charged with sodomy (to include oral copulation). Subject had been under suspicion by various groups as well as police officials.

A statement made by the boy residing with Armstrong brought about an investigation where several statements of accusations were obtained in writing. There were several youngsters who made statements, but all the families involved, with the exception of two, refused to prosecute.

The suspect Armstrong was brought to trial and pled not guilty and was arraigned. The case was later dismissed due to lack of prosecution.

Shortly after the dismissal of this case, he moved to Juneau, at which time he immediately made himself available for Scout master of a local troop, and was registered in that capacity until we were notified of the previous events by the local authorities. The sponsoring institution requested that he resign at which time he did. Ever since that time he has been under surveillance by the local police department who could not obtain any convicting information.

He has always approached the youth organizations to do a job in the organization for boys in each community that he has resided in. Within the last two weeks he has moved from this community, whereabouts unknown. It is thought that he has gone to the State of New York.

This man works in the building industry most of the time as a carpenter.
